You will need to cancel your reservation if your dog has been making sick noises, has a fever, drippy nose, or watery eyes.

Dogs from the same household may share a room if they can eat together. If your dogs must be separated to eat, please book separate suites. If the dogs do not get along together or a conflict arises, Tabor Kennel will separate the dogs into two different kennels and the pet owner will be responsible for the regular boarding rate of each dog. Dogs must be on a **leash** when entering or leaving the premises. Dogs must be friendly with people and other dogs, no severe separation anxiety, over 4 months of age and no known biters.
